

APPLICATION FOR FUNDING

Due to the overwhelming requests for passes we receive, we have now instituted an “application for funding” process. The Exploration Place is a non profit charitable organization and we are not able to help everyone we would like.

To apply for passes, you must be a registered charity or school and not be discriminatory against any race, religion or culture.

Applications are reviewed on a monthly basis with the cut off for each month being the first day.

Name of Organization: _____

Contact name: _____

Title: _____

Phone #: _____

Fax #: _____

Email: _____

Description of your organization or program:

Pass requested
